

Technology For Tomorrow

Empowering People in Need with Technology Education
A non-profit 501(c)(3) organization

2019 Impact Report

Vision:

Those in need have access to affordable technology education that improves their quality of life personally, professionally, and in the community. People of all ages recognize and act upon the need for helping others.

Mission:

Technology for Tomorrow, a non-profit 501(c)(3) organization, empowers people in need by providing affordable technology education and supporting skills through various local, state, and national collaboration efforts, in order to help individuals reach their professional and personal goals.

Key Supporters

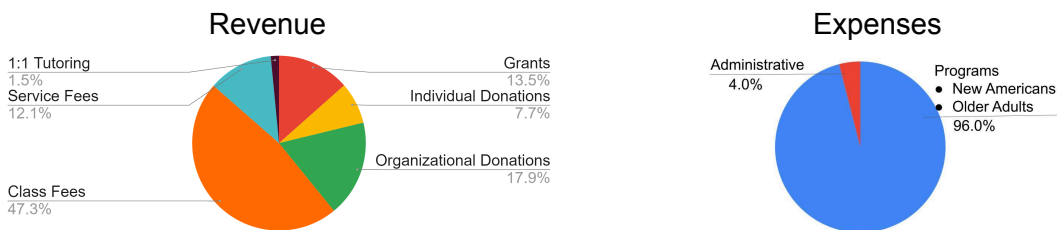

A Message from Board President Neel Desai

The team at T4T is deeply committed to providing technology education to underserved communities. In 2019, we're extremely proud to have built on that mission by renewing our commitment to diversity and continuing to deliver high quality programming.

2019 Fiscal Year Financials

A Message from T4T Program Manager Bjorn Norstrom

Thank you for supporting Technology for Tomorrow. During 2019, we were able to grow both in the numbers of learners and communities we served. Make sure to visit our website on a regular basis for updates: <http://tech4tomorrowt.org>. We look forward to a great 2020 with your continued support for technology education and supporting soft skills for underserved communities.
